### **5.1 Health and Safety**

- 5.1.1 Health and safety is the responsibility of both the Employer and the employee. The Employer will take all practicable steps to provide a safe and healthy workplace, in accordance with the Health and Safety in Employment Amendment Act 2002. In order to maintain a safe working environment, the employee is to report any hazards identified in the work place, to the Employer as soon as possible. Where necessary suitable protective clothing and equipment shall be provided by the Employer and shall remain the property of the Employer.
- 5.1.2 The parties agree in principle that responsibility for pre-exposure immunisation of employees rests with employers who should accept responsibility for safety in the workplace, advised as necessary by the Ministry of Health. In all situations where a risk of infection exists, it shall be the duty of the Employer to require safe working practices on the part of the employee and to ensure appropriate hygiene measures to reduce such risk to a minimum, whether or not immunisation is considered advisable.
- 5.1.3 In all situations where a risk of being infected by the hepatitis B virus exists, it shall be the duty of employers to require safe working practices on the part of the employee and to ensure appropriate hygiene measures to reduce such risk to a minimum, whether or not immunisation is considered advisable.
- 5.1.4 The cost of any immunisation or vaccinations may be met by the employer prior to international travel commencing.

### **5.2 Personal Files**

Employees shall have access to their personal files in accordance with the provisions of the Official Information Act 1982, and it is noted that the provisions of the Privacy Act 1993 shall also apply.

### **5.3 Superannuation**

- 5.3.1 Advisers/Facilitators/Professional Development Facilitators who at 1 January 2000 belong to UniSaver New Zealand and are receiving Employer Contributions at that date shall continue to receive such contributions in accordance with the requirements of the Scheme.
- 5.3.2 Where an employee is a contributor to the Government Superannuation Fund the Employer will continue to operate in accordance with the Scheme.

## **PART 6: Surplus Staffing**

### **6.1 Consultation**

- 6.1.1 In accordance with the principles contained within these clauses, employees will be consulted prior to the commencement of any reviews of the whole, or part of the College's organisational structure of functions, which may result in significant changes to either the structure, staffing or work practices affecting existing employees.
- 6.1.2 Employees will be entitled to be represented during the consultation process. Therefore, the Employer will provide the employee's union or other representative with an opportunity to be involved in the consultation process on behalf of that employee.

### **6.2 Intent**

The Employer recognizes the serious consequences that the loss of employment can have on individual employees and seeks to minimize those consequences by means of these provisions. These provisions apply to employees who for all intents and purposes have an ongoing expectation of employment. They will not apply to employees who have reached the expiry of an appointment with limited tenure.

### **6.3 Definition**

A surplus staffing situation exists when, as a result of the process described in 6.1 above, the Employer requires a reduction in the number of employees, or employees can no longer be employed in their current position, at their current grade (i.e., the terms of appointment to their present position), then the options in clause 6.5 below shall apply.

### **6.4 Notification**

Where a surplus staffing situation in terms of clause 6.3 arises the Employer shall advise the employee's not less than three months prior to the date by which the surplus staff are to be discharged. This date may be varied by agreement between the parties.

### **6.5 Options**

The following are the options to be applied in staff surplus situations:

- (a) attrition;
- (b) reconfirmation;
- (c) redeployment
- (d) enhanced early retirement;
- (e) retraining;
- (f) severance.

The aim will be to minimise the use of severance. Where the other options are inappropriate to discharge the surplus, the option of severance will be made available. Employees who are offered a position within the College which is directly comparable to their existing position, which does not require a change in residential location, and who decline appointment will not have access to severance.

## 6.6 Conditions Applying to Options

- (a) **Attrition** - Attrition means that as employees leave their positions because they retire, resign, transfer are promoted or die then they may not be replaced. In addition or alternatively, there may be a partial or complete freeze on recruiting new employees or on promotions.
- (b) **Reconfirmation** - Reconfirmation means that where a position is to be transferred into a new structure or agency, or there is a position available in an existing agency, an employee may be placed in that transferred position. The criteria for reconfirmation shall be as follows:
- (i) The duties in the transferred position are the same (or very nearly the same) as the duties the employee currently undertakes.
  - (ii) The salary for the transferred position is the same.
  - (iii) The transferred position has terms and conditions of employment which are no less favourable for the employee.
  - (iv) The geographical location of the new position is the same (note: this need not mean the same building).
  - (v) Selection of the employee to retain the position shall be on the basis of the person best suited to the position, in the Employer's opinion, provided that appointments are made from the pool of affected employees. The Employer will endeavour to take into account the employee's wishes.
- (c) **Redeployment** - Employees may be redeployed to a new position at the same or lower salary within the College. The following conditions will apply:
- (i) Where the new position is at a lower salary, an equalisation allowance will be paid to preserve the salary of the employee at the rate paid in the old job at the time of redeployment.  
  
The salary can be preserved in the following ways:
    - (a) a lump sum to make up for the loss of basic pay for the next two years (this is not abated by any subsequent salary increases); or
    - (b) an ongoing allowance for two years equivalent to the difference between the present salary and the new salary (This is abated by any subsequent salary increases);
    - (c) when employees who are within five years of their compulsory retirement date are appointed to a position carrying a lower salary, such employees will retain their present grade and salary unabated.
  - (ii) Where the new job is at a location outside the local area, the employee shall be entitled to removal expenses as per clause 3.9.2 of this Agreement.
- (d) **Enhanced early retirement** may be made available at the discretion of the Employer at any time to eligible employees not declared surplus if they are replaced by a surplus employee seeking redeployment or reassignment.

The total amount paid to employees under this provision shall not exceed the total salary [as defined in Appendix B clause 1(i)] the employee would have received between their actual retirement and reaching the normal expected age of retirement.

- (e) **Retraining** - The Employer may offer the option of retraining with financial assistance up to the maintenance of full salary plus appropriate training expenses in order to enhance the employee's prospects of re-employment. The total cost to the Employer, including any costs other than salary in respect of the training which may be paid by the Employer, shall not normally exceed the value of the severance payment the employee would be entitled to. Where the employee is to be re-employed within the College, the cost to the Employer may be an amount up to and not exceeding 38 weeks' salary or the value of the severance payment the employee would be entitled to, whichever is the greater.

## **6.7 Rights of Employees Declared Surplus**

- (a) **Time off to attend interviews**  
The Employer shall give employees reasonable time off to attend interviews for alternative employment, subject to the operational requirements of the College being met.
- (b) **References**  
The Employer shall supply to all surplus employees a letter of reference.
- (c) **Counselling**  
Counselling for affected employees and family may be made available as necessary.
- (d) **Employees on Leave**  
An employee who is declared surplus and who is on maternity leave, absence due to extended illness, Accident Compensation, approved special leave without pay or secondment shall be covered by the terms of this agreement.

## **6.8 Severance**

- 6.8.1 For facilitators and staff employed after 1 January 2000 if there is a termination of employment by the Employer as a result of any decision to restructure, redundancy compensation shall be payable to the employee in accordance with the following formula:
- a) a total of six weeks salary after the completion of two years of employment;
  - b) one week's salary for each additional six months of employment up to a maximum of 26 weeks.
- 6.8.2 Redundancy compensation payable for Advisory and Reading Recovery staff who took up duties prior to 1 January 2000 shall be as per the provisions contained in Appendix B.
- 6.8.3 "Service" for the purposes of this Clause is continuous service with the Massey University College of Education.

## **6.9 Protection of employees affected by transfer of business**

- 6.9.1 The purpose of this clause is to protect the employees bound by this agreement from being disadvantaged if the work of any of them is to be contracted out, or if the employer's business or part of it is to be transferred or sold. In a redundancy situation arising out of these circumstances, this clause applies in place of all of part 6 (six).
- 6.9.2 Employees covered by Schedule 1A of the Employment Relations Act 2000 are entitled to the protections set out in section 69A to 69J of that Act.

- 6.9.3 Employees who are not covered by Schedule 1A of the Employment Relations Act 2000 are entitled to the protections set out in the following provisions.
- 6.9.4 If the Employer proposes to sell or transfer of all or part of the Employer's business (including an agreement to contract out part of the business), and if that sale or transfer would result in employees' positions being made redundant (the "affected employees"), the Employer will:
- (a) advise the Union of its proposal, including details of the positions likely to be affected;
  - (b) consult the Union regarding the affected employees; and
  - (c) to the extent practicable, request that the person acquiring the business (the "new employer"):
    - (i) offer the affected employees employment on terms and conditions that are the same as the affected employees' existing terms and conditions of employment; and
    - (ii) agree to treat the employees' service as continuous
- 6.9.5 The employer will endeavour to ensure that the union and affected employees are advised of the new employer's response and the terms of any offers as soon as is practicable.
- 6.9.6 The employer will consult the union on any proposed transfer process.
- 6.9.7 The Parties acknowledge that the new employer may offer employment to any of the affected employees it chooses, on terms of its choosing.
- 6.9.8 If the new employer does not wish to employ any affected employee, or if an affected employee does not wish to accept an offer from the new employer, the employer will be bound by the options set out in this agreement for dealing with surplus staffing situations.
- 6.9.9 Where an employee's employment (including an employee covered by schedule 1A of the Employment Relations Act 2000) is terminated by the employer due to the sale or transfer by the employer of the whole or part of the employers business (including by way of contracting out), the employee will not be entitled to compensation for redundancy if the new employer has:
- (a) offered the affected employee employment on terms and conditions that are the same or similar to the affected employee's existing terms and conditions of employment; and
  - (b) agreed to treat the affected employee's service as continuous.

## **PART 7: Grievance and Disciplinary Procedures**

### **7.1 Resolution of Employment Relation problems**

#### **7.1.1 General Principles**

The Employer takes all complaints seriously and is committed to facilitating speedy and satisfactory resolutions of complaints in the interests of maintaining a harmonious working, study and research environment.

The Employer and authorised bargaining agents will be guided by the principles of natural justice, equity and the requirements of relevant legislation in dealing with all complaints.

It is desirable that all complaints are resolved at the earliest possible stage via informal discussion and/or internally facilitated mediation between the parties.

#### **7.1.2 Description of Services Available**

In accordance with Section 65 of the Employment Relations Act 2000, attached as Appendix C is a plain language explanation of the services available for the resolution of employment relationship problems.

All employees shall have access to personal grievance provisions (as set out in statute, this Collective Employment Agreement and any other policy or provision of the employer), including in the first 90 days of employment.

#### **7.1.3 Harassment Procedures**

The Employer treats harassment seriously and has procedures for dealing with complaints. These are contained in the Guide to Policies, Procedures and Regulations.

### **7.2 Disciplinary Procedures**

At any stage of the disciplinary warning procedure the employee has the right to representation and/or support from an employee organisation, from another employee, from legal counsel or from any other person or persons of the employee's choosing.

#### **7.2.1 Unsatisfactory Performance**

7.2.1.1 Where the performance of an employee in carrying out his or her duties is identified by the manager as being unsatisfactory, the manager should specify the nature of the problem and the remedies that are required.

7.2.1.2 A claim of unsatisfactory performance shall usually not in that first instance be sufficient to initiate the disciplinary warning procedure. Only when adequate guidance and opportunity for training to remedy shortcomings has been given, followed by a reasonable period to improve performance, should continued unsatisfactory performance then constitute sufficient cause for initiating the disciplinary warning procedure.

## 7.2.2 Misconduct

Misconduct is any behaviour on the professional or personal level which is alleged to contravene in a grave fashion the Agreement obligations of an employee, the rules and regulations of the Employer, or codes of professional conduct or ethics. An allegation of such misconduct will be sufficient to initiate the disciplinary investigation procedure as set out in clause 7.2.

## 7.2.3 Investigation and Warning Procedure

Where an unsatisfactory performance continues following the implementation of the process specified in 7.2.1, or where an allegation of misconduct is made by a competent authority, the employee involved shall be interviewed by the appropriate authority and invited to respond. If the response is judged to be unsatisfactory a formal warning may be given. This warning should specify the nature of the misconduct or unsatisfactory performance alleged, the remedial action required of the employee, and the time period allowed for such remedies to be implemented.

This warning will normally be a first written warning, except where the seriousness of the alleged conduct justifies proceeding immediately to a final written warning.

### 7.2.3.1 Final Written Warning

Should the first written warning fail to remedy the misconduct complained of within a reasonable time, or if further instances of unsatisfactory performance or misconduct occur, the employee shall again be interviewed and invited to respond. If the response is judged to be unsatisfactory, a final written warning shall be issued by the Employer to the employee containing the following elements:

- (a) a statement of the alleged misconduct or unsatisfactory performance
- (b) a reference to the previous written warning where one has been issued
- (c) action to be taken or amends to be made to remedy the problem
- (d) a reasonable period of time within which prescribed action must be taken
- (e) a statement of the likely consequences of not complying with the warning.

If after the period specified the employee fails to meet the requirements of the written warning, or if further instances of unsatisfactory performance or misconduct occur, then the Employer may decide to implement the disciplinary measures indicated in the written warning, which could include termination of the Agreement.

## 7.2.4 Serious Misconduct

7.2.4.1 **Suspension** In cases involving misconduct considered to be particularly serious, an employee may be suspended on full pay pending an investigation into the alleged misconduct.

7.2.4.2 **Summary Dismissal:**  
Where an investigation substantiates an allegation of serious misconduct, a process of summary dismissal may be justified. Such dismissals will be subject to the principles of natural justice.

## APPENDIX C — Services for Resolution of Employment Relationship Problems – ref Clause 7.1.2

### DEFINITIONS

'**Employment relationship problem**' includes "a personal grievance, a dispute, and any other problem relating to or arising out of an employment relationship, but does not include any problem with the fixing of new terms and condition of employment" (s5 ERA).

'**Personal grievance**' means a claim for unjustified dismissal, unjustified disadvantage, discrimination, duress (in relation to membership or non-membership of a union), sexual or racial harassment (s103 ERA).

'**Dispute**' means "a dispute about the interpretation, application, or operation of an employment agreement" (s129 ERA).

### RAISING AN EMPLOYMENT RELATIONSHIP PROBLEM

To raise an employment relationship problem, you should advise the Employer of the existence and nature of the problem and that you want something done about it. A personal grievance must be raised with the Employer within 90 days of the action occurring or coming to your notice; whichever is the later (s114 ERA). A written submission is preferable.

**You are entitled to seek the support and assistance of your union or representative at any time. Your union or other representative can act on your behalf if you so choose.**

### SERVICES AVAILABLE FOR RESOLUTION

Following is a description of the services available for the resolution of an employment relationship problem.

#### ▪ **ADVISE YOUR EMPLOYER**

You should advise your Employer of your employment relationship problem by informing your manager. If you do not feel comfortable about raising the matter directly with your manager you could inform their manager. You could also choose to have your representative approach your manager or their manager on your behalf.

#### ▪ **MASSEY UNIVERSITY MEDIATION SERVICE**

The University provides a mediation service to assist staff with resolving issues that arise in the workplace. A trained mediator will help the parties to resolve the problem, but does not make a decision as to who is right or wrong.

#### ▪ **MINISTRY OF BUSINESS, INNOVATION AND EMPLOYMENT**

The Ministry of Business, Innovation and Employment runs a Mediation Service to support all employment relationships. This Service provides general information about employment rights and obligations as well as mediators to assist parties to resolve employment relationship problems. The phone number is in the Public Telephone Directory under "Ministry of Business, Innovation and Employment".

#### ▪ **EMPLOYMENT RELATIONS AUTHORITY**

If the Ministry of Business, Innovation and Employment Mediation Service is unable to assist you to resolve the problem, then you can apply to the Employment Relations Authority for assistance. This is a more formal step to take, and you may elect to have someone represent you. The Authority members will investigate the problem and will make a decision. This decision can be appealed by either party to the Employment Court and then to the Court of Appeal.

#### ▪ **HUMAN RIGHTS COMMISSION (ALTERNATIVE PROCESS)**

If you believe you have a personal grievance based on discrimination, sexual harassment or racial harassment, you may be able to make a complaint under the Human Rights Act 1993 to the Human Rights Commission. However, you cannot refer your personal grievance to both the Human Rights Commission and the Employment Relations Authority. They are alternative services.
