1.4 Definitions

The following definitions apply unless the Agreement otherwise specifies:

- 1.4.1 "Area school" shall have the meaning ascribed in the Education (School Staffing) Order for the time being in force.
- 1.4.2 "Composite school" shall mean a school classified as a composite school under the Education Act 1989.
- 1.4.3 "Employer" shall mean a Board of Trustees (Board) constituted pursuant to the Education Acts 1964 and 1989 (or where a Commissioner has been appointed under Part 9 of the Education Act 1989 to act in place of the Board, that Commissioner) of a state or state-integrated school that employs employees falling within the coverage as set out in clause 1.1.3.

(Note: In relation to a dispute about the interpretation, application or operation of this Agreement, the employer shall act, if the Secretary for Education acting under delegation from the State Services Commissioner made pursuant to section 23 of the State Sector Act 1988 so requires, together or in consultation with the Secretary for Education acting in accordance with section 74A (b) of the State Sector Act 1988.)

- 1.4.4 "Institute" or "union" shall mean NZEI Te Riu Roa.

1.5 Declaration Pursuant to Act

- 1.5.1 Pursuant to section 75 of the State Sector Act 1988 the Secretary acting pursuant to the delegated authority of the State Services Commissioner has declared that all of the conditions contained in this Agreement are actual conditions of employment provided that the Secretary may, from time to time, give approval to the salary rates or allowances being treated as minimum rates where there is agreement to this between the employer and the principal.

1.6 Variations Clause

- 1.6.1 The parties agree that the terms and conditions contained in this Agreement may be varied at any time by written agreement between NZEI Te Riu Roa and the Secretary, acting under delegation from the State Services Commissioner made pursuant to section 23 and acting in accordance with section 74(5) of the State Sector Act 1988. Any such variation agreed shall be binding on employees and employers of those employees covered by this Agreement in accordance with section 74(6) of the State Sector Act 1988 (as amended by the Employment Relations Act 2000).

Part 2: General Provisions

2.1 Good Employer/Equal Employment Opportunities

- 2.1.1 Attention is drawn to the State Sector Act 1988 Part 7A which outlines the responsibilities of the employer with regard to the operation of a personnel policy that complies with the principles of being a good employer and the equal employment opportunity responsibilities of the employer.

2.2 Appointments

2.2.1 Advertising Positions

All positions of at least one years' duration must be advertised nationally.

2.2.2 Permanent Positions

All appointments to advertised positions shall be permanent unless there are genuine reasons on reasonable grounds for appointing for a fixed term e.g long-term relieving positions and positions about to be disestablished.

***Note:** As intended in the Education Act 1989 and Education (School Staffing) Orders, a principal means one person is employed in the principal role. This would exclude co-principal arrangements. For clarity, co-principal means two or more full time teachers employed jointly who alternate the role of principal in one school.*

2.2.3 Appointments Process and Criteria

- (a) Attention is drawn to the State Sector Act 1988 insofar as it provides that the person best suited to the position shall be appointed. In applying that provision the employer will have regard to the experience, qualifications and abilities relevant to the position and such other relevant matters as it determines.
- (b) Employers are required to make available to all applicants, on request, details of the duties to be carried out and the criteria for an appointment.
- (c) Equal employment opportunities principles shall be applied and demonstrated in appointments procedures. The intent of these principles is to provide equal access and consideration and equal encouragement in areas of recruitment, selection, promotion and career development. These principles are to be applied to enable people to pursue their careers without their chances being reduced by factors which are irrelevant to the requirements of the position .

2.3 Re-entry after Absence Due to Childcare

- 2.3.1 A principal who resigns from a position to care for pre-school children may apply to re-enter the service under preferential provisions subject to clause 2.2, provided that:

- (a) The absence does not exceed four years from the date of resignation, or five years from the date of cessation of duties to take up parental leave.
- (b) The applicant must:
- produce a birth certificate for the pre-school child;
 - sign a statutory declaration confirming that absence has been due to the care of a pre-school child and paid employment has not been entered into for more than 15 hours per week during that absence.

- 2.3.2 Where the applicant meets all the provisions of clause 2.3.1 and at the time of application:

- (a) has the necessary skills to competently fill a vacancy which is available in the service; and
- (b) the position is substantially the same in character and at the same or lower salary and/or within the same grade (roll band) as the position previously held, then the applicant is to be appointed in preference to any other applicant for the position.

2.3.3 The period of preferential appointment expires 3 months after the period in clause 2.3.1(a).

2.3.4 Absence for childcare reasons will interrupt service but not break it. The period of absence will not count as service for the purposes of sick leave or annual leave or any other leave entitlement.

2.4 Hepatitis B Immunisation

2.4.1 The parties agree in principle that responsibility for pre-exposure immunisation of principals rests with employers who should accept responsibility for safety in the workplace, and who will be advised as necessary by the Ministry of Health or the Ministry of Business, Innovation, and Employment.

2.4.2 In situations where principals may be at significantly increased risk of acquiring hepatitis B because of the nature of their job, the situation shall be assessed on an individual basis to decide if immunisation would be appropriate. The parties do not envisage that immunisation programmes would be set up to cover all principals covered by this Agreement. Only those working in an area with a high incidence of hepatitis B may receive immunisation.

2.4.3 In all situations where a risk of being infected by the hepatitis B virus exists, it shall be the duty of employers to require safe working practices on the part of the principal and to ensure appropriate hygiene measures to reduce such risk to a minimum, whether or not immunisation is considered advisable.

2.5 Personal Files

2.5.1 The employer shall ensure that personal files are held in a secure place and access is confined to authorised personnel and the principal concerned.

2.5.2 Attention is drawn to the Privacy Act 1993 which outlines responsibilities for the collection, storage and availability of personal information.

2.6 Access

2.6.1 A representative of the union shall be entitled to enter at all reasonable times upon the premises for purposes related to the employment of its members or for purposes related to the union's business or both. The representative shall enter at a reasonable time and in a reasonable way and comply with existing safety, health and security procedures and requirements applying in respect of the school.

2.7 Union Deductions

2.7.1 Any employer, when requested in writing by the secretary of the union, shall, within one month after the receipt of such request, supply to the union the name of the principal coming within the scope of this Agreement when in their employ (but such request shall not be made to the employer at intervals shorter than six months).

2.7.2 In accordance with authorities signed by the individual principal the employer shall arrange for the deduction of union subscriptions for union members covered by this agreement except in cases agreed to between the employer and the union.

2.7.3 Except as may be otherwise agreed, the commission payable by the Institute for this service shall not exceed 2.5 per cent of the aggregate sum of the amount deducted.

2.8 Health and Safety and Wellbeing

- (a) The parties recognise the importance of ensuring good and safe working conditions through health and safety in the workplace and that it is a mutual obligation of the employer and principal to achieve this through a participative approach.
- (b) To this end attention is drawn to the Health and Safety in Employment Act 1992 and the Health and Safety at Work Act 2015. These Acts, and other legislation, relevant Codes of Practice and Guidelines are reference points for gaining a common understanding of what those obligations are, what will assist in meeting those mutual obligations and also in promoting best practice.
- (c) Where a principal's health and safety is shown to be at risk in the carrying out of her/his duties the employer shall take all reasonable steps as are necessary to remove or minimise the identified risk for the principal and if appropriate, to do so in consultation with the relevant health and safety authorities.

Part 3: Hours of Work

3.1 Hours of Work

3.1.1 It is acknowledged that principals are often required to undertake duties outside of the hours that the school is open for instruction. Such duties include:

- preparation, evaluation and assessment work generated by classes/sessions and the students within them, or by other requirements such as the need to report on the progress of individual students;
- counselling of students;
- management and administrative responsibilities;
- attending courses and meetings;
- professional development.

This factor has been taken into consideration in determining the hours of work and leave entitlements of these principals.

3.1.2 Principals shall work such hours as may be reasonably required to enable them to properly fulfil their responsibilities whether or not such hours may exceed 40 hours per week.

Part 4: Professional Leadership and Annual Performance Review

4.1 Performance Agreement

- 4.1.1 (a) The Board shall put in place an annual performance agreement and carry out a review (appraisal) of the principal every year. Provided that, where a principal is newly appointed, it is expected that the Board and principal will put in place a performance agreement within two months of the appointment.
- (b) The purposes of this process are to ensure the principal is aware of the Board's objectives, to assist the principal's professional learning and development and improve/acknowledge performance (i.e. it is about both accountability and development).
- (c) The performance agreement shall reflect the school's strategic and annual plans and the principal's job description and shall take into account the professional standards, the preceding year's review report (where relevant) and the Education Council criteria to be certificated as a teacher.
- (d) The performance agreement shall be in writing and a signed copy kept by both the Board and principal.
- 4.1.2 The performance agreement shall be developed in consultation with the principal and shall detail:
- (a) objectives for that year including relevant professional standards;
- (b) a professional learning and development plan for the principal to identify strategies and support (including any agreed resourcing) to enable the principal to carry out his/her responsibilities, meet the objectives and improve professional knowledge and performance; and
- (c) the process and criteria, as per clause 4.2 below, by which the principal's performance is to be reviewed for that year.
- 4.1.3 (a) Every endeavour shall be made by the Board and principal to reach agreement on a performance agreement that is acceptable to both of them.
- (b) Where this has not been achieved, the Board or the principal may seek professional advice to assist them.
- (c) Where a performance agreement acceptable to both parties is not achieved, the decision of the Board in relation to the contents of the performance agreement for that year will be final. In such circumstances the principal shall have the right to attach written comments - including any professional advice obtained under clause 4.1.3(b) above and/or noting any objectives that he/she considers unreasonable - to the performance agreement which shall be considered during the review or other proceedings.

4.2 Performance Review

- 4.2.1 (a) The Board will carry out the annual review of the principal's performance in accordance with the annual performance agreement.
- (b) The review is in relation to the objectives in the performance agreement and to professional standards.
- 4.2.2 While the Board shall retain responsibility for the review it may delegate the management of the process to Board member(s). The Board or delegated Board member(s) may decide to engage, following consultation with the principal, an external reviewer.
- 4.2.3 Evidence used in the review should be relevant and should be objective and robust.
- 4.2.4 The principal will assist the Board to conduct any review under this clause and in particular will give to the Board such information as the Board requires to carry out the review.

- 4.2.5 (a) The Board will, in consultation with the principal, prepare a final report based on the review.
- (b) The principal shall have the opportunity to comment on the final report, but is not obliged to do so.

4.3 Working Relationship

- 4.3.1 Where there is a problem in the working relationship between the principal and the Board (including individual Board members) that has not been informally resolved and is to the detriment of the school, the Board, in consultation with the principal, may consider appointing a suitably qualified independent person to mediate or facilitate between the parties and/or undertake an impartial and objective assessment of the concern(s).

4.4 Primary Principals' Career Structure

- 4.4.1 (a) This clause outlines a career progression for primary principals who meet the professional criteria as affirmed by their Board in accordance with clause 4.4.1(d) and the service criteria. Payments made under this clause are to encourage and recognise individual professional growth, leadership and contribution of a primary principal. Having met the relevant service criteria, the timing as to when to seek affirmation against the applicable career structure criteria will be established by the Board and the principal.
- (b) Provided that the principal and the Board as part of the annual performance agreement process has undertaken an annual review as in clause 4.2 within the last 12 months, principals covered by this Agreement will be entitled to a career allowance based on clauses 4.4.1(c)-(n) and the service and professional criteria outlined below.
- (c) The principal will assemble and present a portfolio of evidence relevant to the criteria of one of the payments to the Board. The portfolio may include evidence such as compliance with Education Review Office (ERO) improvement recommendations for the school, outcomes of professional learning and/or sabbaticals, goals reflected in the school charter, including strategies for improvements to student learning that reflect the principles of the New Zealand curriculum documents.
- (d) The Board is responsible for affirming that the principal meets the professional criteria, after which one of the following career allowances in (f) shall be made and will be paid fortnightly. The affirmation process will be in accordance with clause 4.2.2.
- (e) A principal can only receive one payment under 4.4.1(f) at any one time. The payment will be prorated for part-time principals.
- (f) The career allowances for each stage are as follows:
- (i) Primary principals who meet the service and professional criteria for stage one will be entitled to an annual career allowance. From 2 May 2016 the rate of the allowance will be \$3,570. From 2 May 2017 the rate of the allowance will be \$3,641.

4.5 Professional Standards

4.5.1 The professional standards, outlined in Schedule 2 of this Agreement, were developed following consultation with NZEI Te Riu Roa, the New Zealand Principals' Federation (NZPF) and the New Zealand School Trustees Association (NZSTA) in accordance with section 77C of the State Sector Act 1988. They form part of the principal's performance agreement.

4.6.5 Where a Community of Learning cannot select one principal from within the Community of Learning to the role or seeks different arrangements for the appointment, the Secretary may agree to alternatives to appointing one principal and/or the fixed period of the appointment. This may result in alternative arrangements for the payment of the allowance outlined in clause 4.6.3 above and for the provision of the time allowance outlined in clause 4.6.7 below and/or a different term for the appointment as outlined in clause 4.6.4 above or clause 4.6.6 below.

Part 5: Remuneration

5.1 Approaches to Remuneration Comparability

- 5.1.1 The parties:
- Acknowledge that different approaches to remuneration have been agreed in collective agreements for principals in state and state integrated schools.
 - Have a shared interest in broad comparability in overall remuneration for principals in state and state integrated schools.
 - Commit to discussing what broad comparability in overall remuneration means as part of each set of negotiations to renew this collective agreement.

5.2 Remuneration

- 5.2.1 A principal's salary shall comprise the school roll-based salary (U-grade) in clause 5.2.2, the staffing-based salary component in clause 5.2.3, the decile payment (where applicable) in clause 5.2.4, the payment for Leadership in Literacy and Numeracy in clause 5.2.5 and the Career payment in clause 4.4.1(f) (where applicable).
- 5.2.2 The Principal's salary shall be determined in accordance with the grade of the school (i.e. U1-U16):

5.2.3 Staffing based salary component

In addition to the school roll-based salary component specified in clause 5.2.2, the base salary of principals shall include the staffing-based salary component calculated according to the following formula:

Total teacher staff (TTS)	Rates	Rates effective 2 May 2016	Rates effective 2 May 2017
≤ 13	$(\$709 * TTS) + \$2,760$	$(\$723 * TTS) + 2,815$	$(\$738 * TTS) + \$2,872$
> 13	$(\$140 * TTS) + \$10,545$	$(\$143 * TTS) + \$10,756$	$(\$146 * TTS) + \$10,971$

The staffing based salary component is based on total teacher staffing that includes entitlement, attached and additional staffing, in addition to entitlement staffing transfer, teacher specific time allowances and staffing for attached units under Boards as determined in the Ministry staffing notice. It does not include teachers who may be employed above entitlement from a Board's operations funding.

Total teacher staff shall be based on the greater of the provisional (September) staffing roll or the confirmed (March) staffing roll which is determined annually.

- 5.2.4 Principals in decile 1-4 schools shall be paid an amount in addition to base salary as specified in clauses 5.2.2 and 5.2.3 above, according to the following table:

5.2.5 Leadership in Literacy and Numeracy

- (a) A principal covered by this Agreement shall be entitled to a base per annum payment and a further per annum payment (based on entitlement teachers only, as determined in the annual provisional staffing notice). From 2 May 2016 the base per annum payment shall be \$2,160. From 2 May 2017 the base per annum payment shall be \$2,320. The further per annum payment shall be as follows:

- (i) U1 – U5 school - \$100 per entitlement teacher
- (ii) U6 school - \$80 per entitlement teacher
- (iii) U7 school and above - \$60 per entitlement teacher

These payments are in recognition of the work that principals do to lead, develop and implement programmes to increase literacy and numeracy and to implement the NZ Curriculum and/or Te Reo Māori i roto i Te Marautanga o Aotearoa. A principal who receives this payment shall not be entitled to receive a Leadership in Realising Youth Potential payment as provided for in the Secondary Principals' Collective Agreement. This payment is payable fortnightly.

- (b) For clarity, 'entitlement teachers only' shall mean the school's total staffing entitlement minus one. It shall not include attached or additional staffing.

5.3 Definition of Roll

5.3.1 For the purposes of determining a principal's U grade as per clauses 5.2.2 and 5.2.4 "roll" shall mean the greater of the provisional (September) staffing roll or the confirmed (March) staffing roll, as determined by the relevant Staffing Order in Council, except that students who are included in the Ongoing Resourcing Scheme (at 1 July for the September school roll purposes) shall be counted on the following basis:

- Students classified as "very high" under the Ongoing Resourcing Scheme shall be counted as six instead of one;
- Students classified as "high" under the Ongoing Resourcing Scheme shall be counted as three instead of one.

Except that:

- Students at Westbridge Residential sSchool will count as six instead of one;
- Students at Salisbury and Halswell residential schools who are not included in the Ongoing Resourcing Scheme will count as three instead of one;
- Students at Van Asch and Kelston residential schools who are not included in the Ongoing Resourcing Scheme will count as one.

5.4 Salary Protection

Grading Changes

5.4.1 Where the appropriate base salary of a principal (as specified in clause 5.2.2) changes as a result of a drop in grade of the position and the principal's existing base salary exceeds the rate for the new grade; and the change in grade is contained in the September Staffing Notice, and is not countered by an increase generated in the 1 March roll, the principal's salary above the rate for the new grade will be protected for a period of 24 months from the beginning of the school year that follows the September Staffing Notice. After the 24 month period of salary protection, the principal shall be paid no more than the rate for the new grade. Salary protection under this clause shall lapse if the principal accepts an alternative position.

5.4.2 Where a grading reduction determined by the September provisional roll, is countered by a grading increase generated by the 1 March roll, the U grade of the principal reverts to the previous higher U grade and the associated salary protection ceases.

5.4.3 Where the grade of a position increases, and this increase is contained in the September Staffing Notice, the principal will move to the new rate at the beginning of the new school year.

5.4.4 For the avoidance of doubt, the base rate for the purposes of salary protection in clause 5.4.1 includes the base salary according to U grade weighting (roll size), but does not include the salary generated by the supplementary formula in clause 5.2.3 (FTTE size).

- 5.4.5
- (i) In the event of a change in the school's decile rating the change in salary will be effective from the beginning of the school year following the announcement of the decile change;
 - (ii) Where the change to the decile would reduce the salary of the principal, the existing decile funding component of the salary, as covered in clause 5.2.4 will be protected for a period of 24 months from the beginning of the school year following the announcement of the decile change.

5.5 Payment of Salaries

5.5.1 Basis of Calculation

The salaries of principals shall be paid fortnightly and the gross salary for a full pay period is calculated as 14/365ths of the annual salary rate. For broken periods the calculation is the number of days due multiplied by the annual rate and divided by 365. Gross salary comprises all salary and allowances (temporary and those paid on a regular basis).

5.5.2 Method of Payment

Salaries shall be paid fortnightly by direct credit to the principal's nominated bank account.

5.5.3 Holiday Pay

Holiday pay at the rate of 30 per cent of salary shall be based on the school year and shall not be payable beyond 27 January. For holiday pay purposes, teaching service shall comprise all paid service including weekends and statutory holidays, but not school vacations.

5.6 Retirement Savings

5.6.1 Principals are eligible to join a KiwiSaver scheme in accordance with the terms of those schemes.

5.6.2 Employer or government contributions to retirement or superannuation schemes which are closed to new members (and include the Teachers' Retirement Savings Scheme and the Government Superannuation Fund), shall continue in accordance with the terms of those schemes.

5.6.3 Where government or employer contributions are made to another retirement or superannuation scheme of which a principal is a member, then that principal is only eligible to receive employer or government contributions to a KiwiSaver scheme to the extent that those combined contributions equal the minimum Kiwisaver employer or government contributions. If the government or employer contributions made to another retirement or superannuation scheme of which a principal is a member equal or exceed to the full minimum Kiwisaver employer or government contributions, then that principal is not eligible to receive employer or government contributions to a KiwiSaver scheme.

- (e) The associate teacher allowance is payable to principals who are not necessarily involved in classroom related duties but who otherwise satisfy the provisions of this clause;
- (f) The associate teacher allowance shall be payable at a daily rate for a trainee once four days have been completed with that trainee pro-rated on the rate specified above. The first four days will also qualify for payment;

A compassionate grant shall be paid by the employer to a partner, or if there is no partner, to the next of kin of a principal who dies while employed in the state teaching service. Compassionate grants are calculated as a proportion of the annual rate of salary (including any permanent salary allowances) payable to the principal at the time of death as follows:

Length of Service (in New Zealand state schools)	Proportion of Annual Salary Rate
20 years or more	One-eighth
10 years but less than 20 years	One-twelfth
Under 10 years	No grant payable

For the purposes of this clause, "service" means service in New Zealand state or state-integrated schools. Service must be continuous except that intervals of up to one year may be bridged and service aggregated, but the intervals do not count as service. If an interval exceeds one year the qualifying service commences afresh after the interval.

- 6.3.2 An isolation allowance will be paid fortnightly and during:

- (a) undertake duties or responsibilities required during that period for the proper management of the school; or
- (b) attend at the school or elsewhere for other purposes connected to that principal's employment.

The employer will however, endeavour to arrange matters at the school in such a way that any requirement that the principal undertake duties or attend at the school when the school is officially closed for instruction is not unreasonable.

7.1.2 Principals will take their annual leave outside of the gazetted term dates, when the school is closed for instruction. Such leave shall be taken in the year in which it falls due, except where the Board and the principal agree, in writing, that the unused entitlement may be carried over to the following year.

7.2 Statutory Holidays

Unused sick leave under this provision may be accumulated and used at a later date but the next year's entitlement cannot be anticipated.

Before approving any such extension the employer shall ensure that any extension complies with any funding arrangements applying to the school.

7.3.4 Transitional Sick Leave

A principal who was employed by an employer immediately prior to 1 July 1992 shall have their sick leave calculated on the following basis:

Table B

- (b) If the balance of sick leave under this clause works out at less than 5 days per year then the principal shall be entitled to up to 5 days sick leave on pay per year.
- (c) Once the principal has completed a single period of service in table B (e.g., over 5 years and up to 10 years) the sick leave on pay provisions in clause 7.3.2 and clause 7.3.3 shall apply. The principal's entry point on Table A shall be worked out according to the principal's years of service (service for this purpose is defined in clause 7.4.).
- (d) Any sick leave entitlement under Table B remaining after the completion of the relevant period of service and any other sick leave entitlements under this agreement shall be accumulated.
- (e) In exceptional circumstances the employer may grant sick leave with pay in anticipation of future entitlements under Table B, provided that no extension may be granted beyond 306 days. Before approving any such extension the employer shall ensure that any extension complies with any funding arrangements applying to the school.

7.3.5 The provisions of this clause regulate the application of paid sick leave under clauses 7.3.2, 7.3.3 and 7.3.4.

- (a) sick leave is to be debited on the basis of days of absence where absence does not exceed five consecutive working days; or
- (b) on the basis of continuous days, including intervening weekends, where the absence exceeds five consecutive working days;
- (c) public holidays and school vacations that fall during a period of paid sick leave do not count as leave.
- (d) no deduction will be made for absences of less than two hours.

7.3.6 The provisions of this clause regulate the application of paid sick leave under clause 7.3.2, 7.3.3 or 7.3.4 to care for a member of the principal's household.

- (a) The employer shall grant up to 20 days per annum sick leave with pay, as a charge against the principal's sick leave when the principal is absent from work to attend a member of her or his household who, through illness, is dependent upon the principal. The employer may grant additional paid leave as a charge against the principal's sick leave in accordance with this clause.

Note: A member of the principal's household includes the principal's spouse or partner, children, grandchildren, parents or any relative or person who is demonstrated to have a dependency on the principal.

- (b) When in excess of five days sick leave is taken by the principal, for reasons of their own sickness or injury or to care for a member of the principal's household as provided for in 7.3.5(d), a current medical certificate from a registered medical or dental practitioner must be produced if the employer so requires.

7.4 Sick Leave Service

- (a) The total period of the service which determines the sick leave entitlement outlined in 7.3.2, 7.3.3 or 7.3.4 shall be the aggregate of employment as a teacher or principal in:
- (i) a New Zealand state or state integrated school;
 - (ii) a New Zealand free kindergarten association, university, or polytechnic;
 - (iii) Fiji, Cook Islands, Tonga, Western Samoa or Niue
- (b) The following service as a teacher or principal is counted as full-time:

 - (ii) permanent part-time service;
 - (iii) non permanent part-time service that consists of employment for 20 hours or more per week.
- (c) Non-permanent part-time teaching service of less than 20 hours per week is assessed on the basis that 80 hours equals one month's service or 1000 hours equals one year's service.
- (d) Service in the New Zealand Public Service and/or Armed Forces may be converted to teaching sick leave entitlement on such terms as the Secretary for Education may agree. Deductions for sick leave taken from transferred New Zealand Public Service and/or Armed Forces service shall be converted to deductions from the principal's sick leave entitlement using the formula $T/P \times S = E$ where:
- T = Principal's sick leave entitlement on years of service;
 - P = Public Servants' sick leave entitlement on years of service;
 - S = Sick Leave taken as a Public Servant;
 - E = Equivalent number of days of sick leave as if taken as a teacher.

Note 1: For the calculation of the sick leave entitlement, the total period of service will continue to include employment as a teacher or principal by a former education board, a secondary school board, a private school which has become integrated, a community college, a technical institute, a teacher's college, the former Department of Education or an agricultural college.

Note 2: Service for sick leave purposes does not include:

- study time while a teacher or principal is not employed in the education service, or when on leave without pay of more than 90 calendar days,

This applies following receipt of a complaint and /or concern(s) being raised in relation to any of these matters. This will occur prior to formally commencing a disciplinary or competency process, unless the nature of the complaint or concern(s) is such that this would be inappropriate;
- (b) questions of competence, conduct and discipline should be handled in a manner which, as far as possible, protects the mana and dignity of the principal concerned. Principals may seek whānau, family, professional and / or NZEI Te Riu Roa support in relation to such matters.

Where either party decides to withdraw from this process such a decision will not of itself give rise to any claim of procedural deficiency or unfairness. The decision to withdraw from this process and/or for the Board to use any or all of the procedures in clauses 8.3, 8.4, 8.5, 8.6 and 8.7 will be notified in writing to the other party.

8.3 Competency

- 8.3.1 Where there are matters of competency which are causing concern (for example failing to meet the primary principals' professional standards), the Board shall put in place appropriate individual assistance and guidance to assist the principal; and for that purpose, may seek such appropriate professional advice as may be required.
- 8.3.2 Where this assistance and guidance has not remedied the situation, the Board shall initiate a competency process and the following provisions should govern the action to be taken:
 - (a) the principal must be advised in writing of the specific matter(s) causing concern and what, if any, corrective action is required.
 - (b) the principal is to be given a reasonable opportunity to remedy the matter(s) causing concern. This timeframe shall be determined by the Board, may take into account any previous support or guidance, and shall be relevant to the matter(s) causing concern;
 - (c) the process and results of any evaluation are to be recorded in writing, sighted and signed by the principal;
 - (d) a copy of any report made to the Board shall be given to the principal;
 - (e) no action shall be taken on a report until the principal has had a reasonable time to comment (in writing, orally or both);
 - (f) if the above steps (a-e) fail to resolve the matter(s) of concern, the Board may, where justified, dismiss the principal in accordance with clauses 8.6 or 8.7 and without the need to follow the provisions of clause 8.4 below; and

Before making a final decision, the Board may need to make further inquiries in order to be satisfied as to the facts of the specific matter(s) causing concern.
- 8.4.4 If misconduct is found to have occurred then the corrective action(s) that may be imposed, following an opportunity for the principal to comment, include:
 - (a) counselling and/or mentoring intended to assist the principal amend his/her conduct and/or change particular behaviours;
 - (b) a verbal or written warning that includes advice of any corrective action required to amend his/her conduct and a reasonable opportunity to do so; and

- 8.4.5 The Board may also consider that the misconduct warrants dismissal with or without notice.
- 8.4.6 The process and any resulting action(s) are to be recorded, then sighted and signed by the principal and placed on his/her personal file.
- 8.4.7 A copy of any report in relation to this matter made to the Board or provided to the Education Council shall be given to the principal.

8.5 Suspension

- 8.5.1 (a) If the alleged conduct is deemed sufficiently serious a principal may be either suspended with or without pay or transferred temporarily to other duties.
- (b) The Board shall not, unless there are exceptional circumstances, suspend the principal without first allowing the principal a reasonable opportunity to make submissions to the Board about the alleged misconduct and the appropriateness of suspension in all of the circumstances. The Board shall take into account any submissions made by the principal before determining the matter of suspension.
- (c) The Board shall use its best endeavours to ensure that the period of suspension is kept to the minimum possible consistent with ensuring that the allegations of misconduct are properly investigated and that the principal is treated fairly at all times.
- (d) If the allegation that led to suspension is without substance the principal shall, unless he/she has resigned in the interim, be entitled to resume duties immediately and, if suspended without pay, to have that pay re-instated from the date of suspension.

8.6 Dismissal

- 8.6.1 The Board may, after applying the principles and processes of clauses 8.1, 8.2, 8.3, 8.4 and 8.5 above, terminate the employment of the principal by giving two months' notice of termination. In the first instance, the Board and the principal may mutually agree to waive the requirement to work out two months' notice. If agreement cannot be reached, the principal may be dismissed and paid two months' salary in lieu of notice.

8.7 Instant Dismissal

10.2 Termination of Employment

- 10.2.1 Employment may be terminated at any time by the principal giving not less than two calendar months' notice unless a shorter period is mutually agreed. Schedule 1: Definition of Levels of Māori Immersion

Level 1: Maintenance Programmes (81% to 100% Immersion)

- Te reo Māori is the principal language of communication and instruction.
- The principal curriculum is taught entirely in Māori.
(It is expected that all students in the programme will interact freely in Māori).

Level 2: Development Programmes (51% to 80% Immersion)

- Te reo Māori is, for most of the time, the language of communication and instruction.
- English is accepted as a temporary language of instruction and communication.
- There is an agreement between the school and parents that the programme will achieve a particular level of immersion over a specified period of time.
- The level of fluency of the teacher will vary considerably, from not very fluent to native-like fluency.
- There is a reliance on Kaiarahi Reo to increase the amount of spoken Māori in the programme.

(It is expected that not all students in the programme will interact freely in Māori).

Level 3: Emerging Programmes (31% to 50% Immersion)

- English is the main language of communication and instruction.
- The teacher can communicate at a basic level of Māori, but has difficulty instructing in Māori.
- Māori is used as the classroom management language.
- An increase in the level of immersion is restricted by the level of fluency of the teacher.
- A Kaiarahi Reo is usually the only fluent speaker in the programme.

Note: *A school which is offering Māori as a subject only would not meet the level 3 Immersion criteria.*

APPENDIX 3 - EMPLOYMENT RELATIONSHIP PROBLEMS

What is an Employment Relationship Problem?

It is a problem between employee and employer. For example, it might be a personal grievance or a dispute about a provision in an employment agreement.

Resolving an Employment Relationship Problem

The employee and employer should first make a reasonable effort to discuss the problem and settle it by mutual agreement. (If it's a personal grievance, it must first be raised with the employer within 90 days - Personal Grievances are explained further below).

An employee (or employer) has the right to be represented at any stage.

When a problem arises, union members should contact their local NZEI Te Riu Roa field officer for advice and representation.

Employers should contact NZSTA or other adviser/representative of choice.

Personal Grievances

A personal grievance is a particular type of employment relationship problem that normally must be raised with the employer within 90 days of the grievance arising.

An employee may have a personal grievance where:

- They have been dismissed without good reason, or the dismissal was not carried out properly.
- They have been treated unfairly.
- Their employment or a condition of their employment has been affected to their disadvantage by an unjustified action of their employer.
- They have experienced sexual or racial harassment, or have been discriminated against because of their involvement in a union or other employee organisation, or have suffered duress over membership or non-membership of a union or other employee organisation.
- They have been discriminated against in terms of the prohibited grounds of discrimination under the Human Rights Act 1993.

Note: *The full meaning of the terms "personal grievance", "discrimination", "sexual harassment", "racial harassment", and "duress", shall be the meaning given by sections 103 to 110 inclusive of the Employment Relations Act 2000.*

As with other employment relationship problems, the parties should always try to resolve a personal grievance through discussion.

Either party can refer a personal grievance to the Employment Relations Service of the Ministry of Business, Innovation, and Employment for mediation assistance, or to the Employment Relations Authority (Authority).

If the problem relates to a type of discrimination that can be the subject of a complaint to the Human Rights Commission under the Human Rights Act 1993, the person can either take a personal grievance, or complain to the Human Rights Commission, but not both. If in doubt, advice should be sought before deciding.

Services Available

To help resolve employment relationship problems, the Ministry of Business, Innovation, and Employment (MBIE) provides:

An Information Service

- This is free. It is available by contacting MBIE or by phoning toll free 0800 209020. MBIE's Employment Relations Service internet address is www.employment.govt.nz/er.

Mediation Service

- The Mediation Service is a free and independent service available through MBIE.
- This service helps to both resolve employment relationship problems and promote the smooth conduct of employment relationships.
- Mediation is a mutual problem solving process, aimed at reaching an agreement, assisted by an independent mediator.
- If the parties can't reach a settlement they can ask the mediator to make a final and binding (written) decision.
- A settlement reached through mediation and signed by the mediator at the request of the parties is final, binding and enforceable. Neither party can then take the matter any further. Either party can be made to comply with the agreed settlement by court order.
- If the problem is unresolved through mediation either party may apply to have the matter dealt with by the Authority.

The Employment Relations Authority

- This Authority is an investigative body that operates in an informal way. It looks into the facts and makes a decision on the merits of the case and not on legal technicalities.
- Either an employer or an employee can refer an unresolved employment relationship problem to the Authority by filing the appropriate forms.
- The Authority may call evidence, hold investigative meetings, or interview anyone involved. It can direct the parties to try mediation. If mediation is unsuitable or has not resolved the problem, the Authority will make a decision that is binding on all parties. Any party can contest the Authority's decision through the Employment Court.

Note 1: *All employment relationship problems, including personal grievances and any disputes about the interpretation or application of this Agreement, must be resolved under Parts 9 and 10 of the Employment Relations Act 2000.*

Note 2: *In relation to a dispute about the interpretation, application, or operation of this Agreement the employer shall act, if the Secretary acting under delegation from the State Services Commissioner so requires, together with or in consultation with the Secretary .*

1. Purpose

The development of a coherent and aspirational framework that supports and builds quality leadership, teaching and learning across the system to advance every child's education success throughout the learning pathway of the child.

2. Principles

The principles underpinning the career development models for primary teachers and principals are:

- A focus on educational success for every child throughout their learning pathway.
- The need for effective resourcing, including the ability to target relevant resources to areas and schools of higher need.
- A commitment to our national language te reo Māori and to the bicultural, treaty-based partnership in Aotearoa New Zealand.
- Consideration of the impact of changes to current models on individual principals and teachers to ensure no actual financial disadvantage in terms of diminishing their permanent remuneration at the time of transition to a new model, and assuming at least an equivalent role.
- Recognition of the uniqueness of local contexts and needs, and allowing the flexibility to respond to changing environments within a self-governing school environment.
- The support and promotion of the hau-ora of learners, teachers and leaders is essential to achieve positive outcomes.

In undertaking this work the parties recognise the importance of developing a career structure/system that:

- Promotes and recognises quality and innovative evidence-based practice.

- Sets out clear opportunities and expectations for career development.
- Reflects our bi-cultural nation and multi-cultural society.

- build a framework which fits our self-governing school environment.
- build practical quality measures and clear expectations into such a framework.
- simplify, rather than complicate existing systems.

These aims are intended to lead to a career framework that sets out in stages the skills, knowledge and expertise required, within which a range of different roles/responsibilities could sit. Each stage would set out the pre-requisites/core competencies while allowing for

optional components dependent on individual interest and skills and the needs of schools and communities.

These aims build on the work agreed as part of the variation following the *Joint Initiative* process.

4. Parties, Stakeholders and Working Relationships
